Model No	Description	Size
OFFEYE-17	Acrylic Office Eye Dome Mirror	17" x 8½" approx.
OFFEYE-PC-17	Polycarbonate Office Eye Dome Mirror	17" x 8½" approx.

This all new Office Eye-Oval allows you to see hallway traffic before exiting your office, conference room, wash room or wherever you have a congested area.

The Office Eye-Oval can be mounted on partitions to enable you to view all activity in your surroundings. They are compact and mount tight against the wall. Mounts to wall, ceiling, doors or partitions with screws, double adhesive or Velcro (not included).

This mirror will fit any decor. Excellent choice for entryways and lifts.

Viewing distances range up to 20ft in each direction, preventing employees from running into each other when entering a busy hallway.

Commonly used in hospital hallways to prevent contact with bulky moving equipment or patient transportation.

High quality mirrors with shatterproof acrylic or Polycarbonate.

Key Features:

- **Virtually unbreakable**
The potential danger and liability of having treacherous glass overhead is eliminated.
- **20% Brighter**
Special mirroring techniques provide a 20% brighter image than glass.
- **Less Distortion**
Special forming techniques provide an optical image that is superior to glass.
- **Longer Lasting**
Made from high quality Acrylic or Polycarbonate and will not discolour over time as glass frequently does.
- **Lighter Weight**
As Acrylic or Polycarbonate is much lighter than glass, it is easier to handle and install.
- **Economical**
Less expensive and eliminates the high cost of replacing broken glass mirrors.
